International Tours Completed

Ferencvaros Best of Visitors

THE Hungarian, Austrian, and Chinese tours of Australia have been completed, and the teams will have reached their respective homelands by the time this is read.

The Hungarian team, Ferencvaros, was the outstanding side of the three. With their extremely high standard of play, the Hungarians rolled up an excellent tour record. They won 14, drew one, and lost only one of their 16 matches here.

They scored 96 goals, an average of six per match, and conceded 30. Their two lapses were a 2-all draw with China, and a 2-3 loss to F.K. Austria.

In their nine games here, Austria lost twice, once to Hungary and once to Australia. They also lost two of their six matches in New Zealand.

The Chinese Eastern Athletic Association did not do as well here as the South China Athletic Association which visited here in 1955.

Whether this was because 1957 visitors were a weaker combination than the previous tourists, or whether Australian soccer has improved, is a moot question.

These Chinese played 12 games, won only three, drew five, and lost the remaining four. They scored only 34 goals, and conceded 40 — not an outstanding record.

The poor financial results of the three tours must prove to those concerned that Australia cannot profitably absorb more than two visiting teams per season.

Apart from the money angle, local fixtures become far too scrambled when the limited season is affected by too many tours.

Hence, although it is readily recognised that these visits are of tremendous value in terms of what they can do to assist in the improvement of Australian standards of play, they must be planned with an eye to quality not quantity.

See page 6 for the completed details of the tours.

Association Secretary Ill

Stuart Beaton in
Hospital

THE Secretary-Manager of the V.A.S.F.A., Mr. Stuart Beaton, was taken ill last week, and his doctor lost no time in getting him into the Alfred Hospital.

His symptoms are very much like the disorder which affected Mr. Jim Paul, Deputy Chairman of the Association, earlier this year, and it may take the doctors a couple of weeks to get Stuart back on his feet.

J.U.S.T. WINS ITS FIRST SENIOR DIV. FLAG

Eyes on the Treble Now

J.U.S.T.'s win over Geelong last Saturday put them beyond any reasonable challenge for the leadership of the senior division, and gave them their first Championship since they entered the top League in 1952.

With the 1957 Sun Cup and the League Premiership in their possession, they hope to make it a treble by winning this year's Dockerty Cup.

Current runner-up, Moreland, has one chance in 10,000 of pipping J.U.S.T. on goal percentage. For this remote possibility to come to pass, Moreland must first defeat Hakoah, Slavia and Brighton, while J.U.S.T. must lose to Brighton, Polonia and Wilhelmina.

Even if Moreland wins all of their remaining three matches, and J.U.S.T. loses theirs, the wins and losses must carry considerably wide margins for J.U.S.T.'s excellent goal percentage to be topped by Moreland's.

So let's forget these improbable possibilities and congratulate J.U.S.T. now!

Scotland's Win Showed Power

SCOTLAND showed plenty of power and determined follow-through in the World Cup re-play last Sunday at Olympic Park, in which the Scots eliminated Hungary 3-0.

Scotland was almost constantly in Hungary's half of the field, and only the sturdiness of the Hungarian defence kept the winners' score down to a modest tally.

The Hungarians appeared to be unable to sustain an attack in the soft going. In addition, they found Bill Lawrie, Tom Jack and Bunt Hyndman impassable on the day.

Bob Wemyss scored early with a hard-driven 25-yard free kick. Bill Copeland scored the other goals from perfect passes by Hans Eggler and Syd Thomas.

FIRST DIVISION.

GEELONG'S GRAND RECORD SMASHED

A FEW moments of thoughtlessness on the part of a few players last Saturday shattered Geelong's splendid 15-match record of discipline and good sportsmanship maintained by its personnel this season.

The collision between the advancing Vella and the defending Salvaggio, and the tangle which followed, caused Referee Forkes to award a penalty to J.U.S.T. The dispute which followed was unnecessary, and quite unlike what we have come to expect from Geelong's players.

The price Geelong paid for this brief interlude was a stiff one — two of the team's star sheet-anchors, Pangrazio

and Salvaggio were sent off the field for their part in the incident. The penalty award remained in any case, and was converted into a goal.

For the next 65 minutes, the remaining nine players faced their hopeless, heart-breaking task with a brand of gallantry that won many admirers. However, cohesion was gone, and J.U.S.T., in the second half, scored a procession of classical goals.

In its struggle to fight clear of the relegation zone, Brighton nearly topped Juventus, but was finally forced to accept a 2-all draw. This left the Seasiders two points behind Polonia, which lost the day's hardest game to Wilhelmina, 3-4.

Thus, Wilhelmina appears to have reached safety, but Polonia's margin of points over Brighton remains vulnerable. Polonia has yet to play Hakoah, J.U.S.T., and Slavia — a tough schedule — while Brighton finishes its season against Geelong, Moreland and J.U.S.T.

A goal scored by Hakoah in the last seconds of its match against Slavia at Middle Park gave the Blues a 3-2 win, and lifted them to third place on the ladder.

Poland in Last Eight

When Poland defeated Germany 2-0 in last Sunday's World Cup re-play, it joined Scotland, Yugoslavia, Greece, England, Austria, Latvia and Australia in the quarter-finals.

Germany was on top early, and attacking steadily with grand football, until, at 20 minutes, a breakaway by Poland scored a cheap goal, after which Germany played second fiddle with indecisive soccer.

SECOND DIVISION.

Split Today or Deadlock?

WINS by Yallourn and Preston over Hellenic and South Melbourne last week complicated the Second Division promotional huddle still further, and we may have to wait until the final round reveals the lucky two of the six clubs in the fight.

A win by George Cross over Hellenic to-day would give the Maltese their much-coveted promotion, but not necessarily the pennant. A win by South Melbourne over Yallourn may decide the runner-up. But wins by Hellenic, Yallourn, Richmond and Preston, all likely possibilities, would tighten the Gordian knot.

Five clubs would then be within two points of each other, and Preston would be trailing close behind with games in hand.

THIRD DIVISION.

Two's Company, Six a Crowd

YARRA Park has a comfortable lead of six points with five rounds, plus postponed games, to go, but there is an uncomfortable crowd of five clubs jostling each other for possession of the second rung of the ladder.

They are all in winning form, too, and within three points of each other, though Dandenong has a game in hand.

This is the same healthy situation that exists in the second and Metropolitan Divisions.

★ ★ ★

We see evidence every day that players, officials and even referees do not study the laws of soccer. Says Maccabi: "Our game versus Vic. Colts — no nets as per the rules. . . ." Nets are NOT required equipment in law, but MAY be used.

Further: "The referee ordered 40 minutes' play each way. Is this in accordance with the rules?" See Law 7: "The game . . . shall be of two equal periods of 45 minutes, UNLESS OTHERWISE MUTUALLY AGREED UPON." Too late, Maccabi, to disagree after the game!

Dandenong Captain in Accident

Art Gebuys, Dandenong's popular captain, met with an accident last week, and suffered severe burns to both arms and hands which will keep him out of the game for a few weeks.

New Club Seeks Assistance

DOVETON United Soccer Club, an off-shoot of the sport and social club of the International Harvester Co. at Dandenong, asks any club with surplus strip and equipment to contact them.

They would also like friendly games with nearby clubs — Fern-tree Gully, Dandenong, or Frankston. The contact is Mr. J. Boumeester, phone Dandenong 1021, Ext. 54.

TYPICAL PENZO LEAP

Before the "send-offs" spoil the match last Saturday, Penzo was in good form, and he is seen here in one of his typical cat-like, leaping punch-outs.

MELBOURNE AND I.C.I. TAKE METROP. FLAGS

ALTHOUGH Lions will say, quite rightly, that they still stand a mathematical chance, I.C.I. has the Metropolitan North premiership in its grasp, and Melbourne has scored a run-away win in the Metropolitan South League.

As in all other senior divisions, five clubs are hotly contesting the runner-up positions in each of the two Leagues.

Coburg Wins School Final

In a good match of surprisingly high standard, Coburg defeated Brighton 4-2 in the Technical Schools Final.

Although heavily outweighed, Brighton held Coburg 2-2 with 15 minutes to go. However, Carlson, one of Coburg's few little fellows, scored twice from breakaways in the closing minutes. (He is the son of Coburg Soccer Club's former player and Secretary of the same name.)

The challenge match for the Dunkling Shield was postponed from last Wednesday until next Wednesday, August 28, at Olympic Park, at 1.45 p.m. The postponement was caused both by the state of the ground at Olympic Park, and intervening exams.

This year, the Shield will be contested by representative Under 17 teams, Technical Schools v. High Schools.

Frankston played three reserves last week, and were left with a selection problem for this week — the three reserves were the best players on the field.

Victoria Holds Skolnik Cup

THE Victorian State Under 17 team visited Adelaide last week and retained the Skolnik Cup by defeating South Australia 4-2 before a large crowd in the curtain-raiser to the floodlit international match, China v. South Australia.

Best for Victoria were Romeyn (outside-left, L.V.A.), who headed an early goal and made two clever assists; Culbard (centre-forward, Sunshine City), who scored three goals; Kovacs (inside-right, Essendon); and Findlay (goalie, St. Kilda).

Sunshine City Under 13's, who had not yielded a single goal, draw, or loss in 13 matches this year, were at last tossed by Essendon 0-2 last Saturday.

In the Under 20's, Box Hill "A" came very close to handing leader, Juventus, their first defeat of the season, but finished with a 2-all draw.

Vic. Manson, English Secretary of the Hungarian club, Melbourne, visited the dressing room of Scotland after Hungary's defeat last Sunday, to say a few well-chosen words of congratulations on behalf of both the Hungarian club and himself. "And I hope you reach the final," he concluded out loud. "And I hope you meet England in the final and get the grandfather of all hidings," he said to himself.

VICTORIAN SOCCER LOADED WITH POSSIBILITIES

Observations by Former Ferencvaros Supporter

TWO letters written to "Soccer News" by the same supporter are far too long for publication, but are replete with questions and suggestions often posed by hundreds of fans, verbally and in writing.

By selecting the most interesting of the suggestions, and by answering some of the questions, we hope to enlighten not only the writer, Mr. W. I. Bernath, but other sincere fans on a variety of subjects.

"Firstly, as a former Ferencvaros supporter, I and my compatriots hope you will convey, through 'Soccer News,' our gratitude to Mr. J. Skolnik, whose efforts made the Fradi tour possible.

"We hope that something was learned from the recent visits, and that we will some day see our Victorian State team up with the top-ranked soccer nations.

"But selection should be placed in the hands of one soccer-wise man, the so-called State (or National) captain, as is the case in Europe. Under this system, Austria's soccer standard was lifted to its present high level by Hugo Meisl, and his selections, assisted only by the opinion of the National Coach, were unchallengeable."

[There are probably varying schools of thought on the one-man selection system.—Ed.]
"Why wasn't Ferencvaros seen against China in Melbourne?"

[The three-team tour itineraries were extremely difficult to work out satisfactorily to all concerned, and neither Ferencvaros nor the Victorian Leagues could afford to lose another week-end.—Ed.]

"Victorian soccer under its present leadership has come through tremendous development, and there is no need for shame that our teams were beaten by Fradi and F.K. Austria. However, it is a pity that so few players and club leaders were able to watch these teams in their training, and thus see what it takes to make great players and a great team — will-power, self-discipline, obedience, and team spirit."

[How true, and how sadly lacking are these attributes in most clubs here.—Ed.]

"Why not bring overseas teams here to play night matches in the summer time? Just as many would go as in winter."

[It is hard enough to get teams to come out here during the short European closed season, probably impossible during the European winter. And night soccer here has not been the huge success expected. However, the suggestion merits consideration.—Ed.]

"Re-organise and expand the leagues to 14 teams. In Europe, several matches are played on the one ground."

[Can't be done here. Europe has no organised summer field sport like cricket. Except the Show-grounds, no playing field is available to football at any time between early October and April.—Ed.]

"Victorian soccer is the best in Australia to-day. To ensure that it is kept that way, why doesn't the Australian Association introduce annual interstate championships?"

[Mainly because there are not enough week-ends available in the season. Partly because clubs object to the constant loss of their few star players. Partly because interstate jaunts are usually money-losers. Where is the money that is lost to come from?—Ed.]

"Players and fans should show more self-discipline. They should not argue with the referee or their opponents,

or judge cases on the field. Are they faultless? Of course not. Neither are referees. And fans should remember how irresponsible supporters took £75 out of the pockets of George Cross players and members."

[Well spoken, Mr. Bernath.—Ed.]

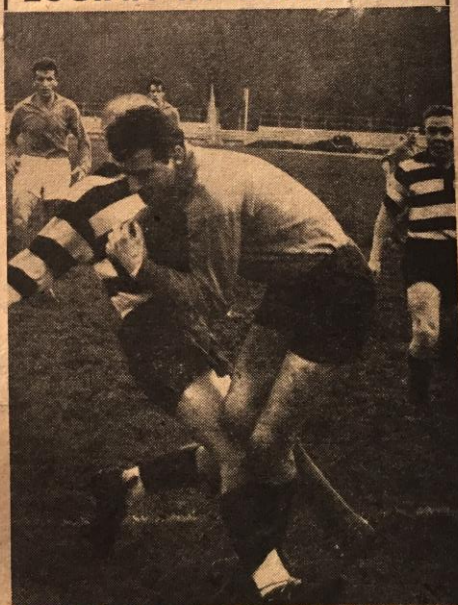

"Why isn't 'Soccer News' published twice a week?"

[Impossible by existing method, with everything done by a few honorary workers. Only a full-time professional group could do it — and we doubt that it could be made to pay.—Ed.]

"In the person of Victoria's Chairman, Mr. W. B. Thomas, we have a man able to get things done. Perhaps he will agree that it would be a tremendous boost if soccer's World Championship could be brought to Australia in, say, 1961."

[Excellent suggestion. Perhaps Mr. Thomas will put out a few feelers to see if such a gigantic undertaking is feasible. And thanks to Mr. Bernath, whose interest in soccer ran to nine closely written pages.—Ed.]

LUCIAN IN COMMAND

After two Geelong players were sent off last Saturday, J.U.S.T.'s keeper, Emilio Lucian, was not kept particularly busy, but the few attacks that did come his way were very determined, like the one pictured here. However, he kept his goal clean.
